Notes to Accounts :

- The statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- In regards to Tea Business, the value of consumption of raw materials represents only green leaf purchased from other growers. As the production of Green Leaf (Raw materials consumed by the company for manufacturing of tea) from the company's own estate involves integrated process having various stages as nursery, cultivation etc., their values at the intermediate stages could not be ascertained.
- Tea is designated as agricultural produce at the point of harvest and is measured at their fair value less cost to sell as at each reporting date. Any changes in fair value are recognised in the statement of profit and loss in the year in which they arise.
- The Company is engaged only in the Business of integrated activities of manufacture and sale of tea predominantly in the domestic market. Hence, there is no reportable segment as per Ind AS-108 on "Segment Reporting" prescribed under Section 133 of the Companies Act, 2013.
- The figures of the last quarter for the current year and the previous year are the balancing figures in respect of the full financial year ended 31st March and the unaudited published year to date figures upto third quarter ended 31st December, which were subject to limited review.
- The above Audited result for the quarter and year ended March 31, 2019, have been reviewed by the Audit Committee and thereafter approved by the Board of Directors at its meeting held on May 30, 2019.
- Previous period's figures have been re-grouped / re-arranged to the extent necessary to conform to current period's classifications.
